

**Wayne County  
Job and Family Services**

# **Adopt a Family For Christmas**

The Wayne County Department of Job and Family Services is in the process of locating families who have special needs this Christmas. There are organizations that would like to help these families have an *Extra Special* Christmas.

If you would like your family to be considered, please come into the agency and fill out a Adopt a Family Wish List. By signing the List, you agree to have your name released to the business that may adopt your family.

**Deadline for applications is October 28, 2021.**

**For more information, or to have a Wish List mailed to you please  
contact Robyn at (330) 287-5847.**
